

The Law Firm,

## **LAODE SABUR & PARTNERS**

### **About Us**

#### **About the Law Firm**

Laode Sabur Law Firm was established by Dr. Laode M. Sabur, SH.MH., to synergize their strength in corporate, labor and business law with a commitment to provide comprehensive, yet cost effective legal services to business clients of all sizes, in order for the clients to gain or maintain an advantage in an increasingly competitive market place.

With energetic approach and personally committed to achieving clients business goals, we stress to the clients to the importance of avoiding business disputes as part of legal risk management through legal consultation and planning. It makes far more sense, and is generally less costly, to consult with an attorney prior to making significant business decision, such as setting up labor system in the company, forming a new company (including foreign investment), selling an existing company, entering into new contracts or leases, or taking actions that affect employees of third parties or any other significant business decision.
